**REQUEST FOR REFUND UNDER 37 C.F.R. § 1.26 OF OVERCHARGE  
OF EXCESS CLAIM FEES UNDER 37 C.F.R. § 1.16(c)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In the Notice to File Missing Parts mailed December 24, 2003, it is noted that the application included 117 total claims over 20. Applicants have paid the total fee due associated with that stated number of excess claims.

However, Applicants submit that this number is in error and, in fact, Applicants count only 107 total claims over 20 in the present application as-filed. (Applicants count 127 claims in total comprised of claims numbered 1-91 and 36 recited multiple dependencies). Accordingly, Applicants request a refund of the overcharge for 10 claims at \$18 per claim, for a total refund of \$180.

Please credit Deposit Account No. 23-1925 with this overpayment. A duplicate copy of this Request is enclosed.

Respectfully submitted,

Dated: 1-26-04
